

Dear Patient,

Our records indicate that you missed (3) appointments or canceled within one year with less than 24 hours' notice. Due to these repeated occurrences, all current scheduled appointments will be cancelled and you will only be eligible for same-day appointments, or a walk-in appointment slot, based on availability.

Need transportation? Our Community Services Team can assist with ride share or transportation services. For assistance, please call 352-518-2000 or visit us online at [www.PremierHC.org](http://www.PremierHC.org).

We look forward to serving you.

Sincerely,  
Premier Community HealthCare Group
