MEN'S HEALTH MONTH

JUNE - JULY 2022

It's time
for your

health tune up!

Regular health check-ups can save lives and should be a part of every man's routine.

Cancer screening for men is a part of routine care at Premier and can help with early detection and prevention. Set an example for your loved ones and make your health a priority.

Call 352-518-2000 or visit us online at www.PremierHC.org to schedule an appointment.

Same day appointments may be available.
