For **45 years**, Premier Community HealthCare has been a beacon of compassionate care, rooted in the heart of Dade City, Florida. What began humbly in **1979** as a single health center has blossomed into a network of **14 locations** and **2 mobile dental units** spread across Pasco & Hernando Counties. Through decades, we've steadfastly served patients from every walk of life, embodying a commitment to excellence and community. As we celebrate this milestone, our legacy of care shines brighter than ever, a testament of the unwavering dedication to the well-being of all that we serve.
