Substance Use Disorder

**Expanding Access.  
Shaping a Healthier Future.**  
**THANK YOU FOR YOUR SUPPORT.**

## COMMUNITY PARTNERSHIP

### Mammos for M.A.N.Y. — Rotary Club of Brooksville

Through a powerful community partnership, more than 230 uninsured women received life-saving mammograms eliminating cost as a barrier to early detection. This initiative ensured women received screenings they otherwise would have gone without, improving outcomes and saving lives.

## RECOGNIZED FOR WHAT MATTERS MOST

### Premier received Six National Quality Awards

Community Health Quality Recognition (CHQR) badges, awarded annually by the Health Resources and Services Administration (HRSA), acknowledge health centers for notable achievements in quality, access, equity, and health IT.

Premier also earned American Heart Association Gold Status for effective blood pressure and cholesterol management. These honors indicate measurable improvements in patient outcomes.

## Engagement & Culture

A workplace that fuels impact

A strong workforce directly translates to better patient outcomes. As a Tampa Bay Top Workplace, **Premier achieved:**

**75%**  
Care Team Member  
Engagement Rate

**11%**  
Year-over-Year  
Increase
